Allowable Subject Matter

1. **Claims 1, 3-7, 9 and 11-16** are allowed. These claims will be renumbered as 1-13
2. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the limitation of the claimed for the first receiving facsimile machine sending at least a telephone number of a second receiving facsimile machine and a facsimile message concerning the nature of an error occurring at the first receiving facsimile machine to a transmitting facsimile machine in the event of error at the first receiving facsimile machine.

Some of the prior art related to facsimile error notification are cited and detailed below which fails to teach the limitation of independent claims 1 and 7 as stated above.

Heo (U.S. Patent No. 5,825,990) discloses a facsimile system comprising a first receiving facsimile for reporting an error state of the receiving facsimile to a transmitting facsimile. Heo is silent about sending back a facsimile number of an alternate destination.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
